THE NANTAHALA

The developer, Highland Property Group, LLC combines building and real estate sales and marketing consulting. The builder, Amarx Construction, holds an Unlimited License for residential and commercial construction in North Carolina. Together, they believe in building people quality homes while keeping our clients' interests in mind at every stage of construction. We strive to keep our homes on time and on budget, all while maintaining the quality that our clients expect from an Amarx home. We believe these are the reasons that clients from Asheville and the surrounding areas choose Highland Property Group and Amarx to build their home.
